

HEAL THE WORLD Michael JACKSON

1- There's a place in your heart And I know that it is love
And this place could be much brighter than tomorrow
And if you really try you'll find there's no need to cry
In this place you'll feel there's no hurt or sorrow

There are ways to get there
If you care enough for the living
Make a little space make a better place...

**Heal The World make it a better place
For you and for me and the entire human race
There are people dying If you care enough for the living
Make a better place for you and for me**

2- If you want to know why theres a love that cannot lie
Love is strong It only cares for joyful giving
If we try we shall see in this bliss we cannot feel
Fear or dread we stop existing and start living

Then it feels that always loves enough for us growing
So make a better world make a better world...

- refrain -

*And the dream we were Conceived in will reveal a joyful face
And the world we once believed in will shine again in grace
Then why do we keep strangling life
Wound this earth crucify its soul
Though it's plain to see this world is heavenly Be god's glow*

3- We could fly so high let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear together we cry happy tears
See the nations turn their swords into plowshares

We could really get there If you cared enough for the living
Make a little space To make a better place...
